CORE / C01 / MCU and Direct SMPS

SCHEMATIC DRAFT | Footprints pending | NC pins intentionally unwired | Not for fabrication

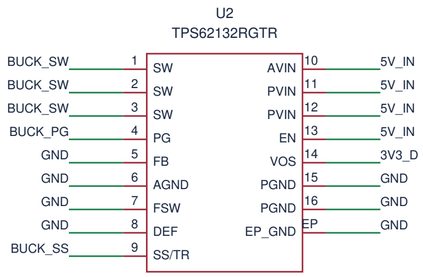

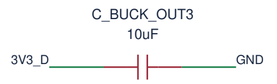

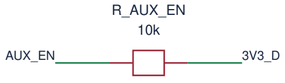

Local EDA-record preview. Not an editor-rendered PDF. Footprints / ERC / PCB not released.

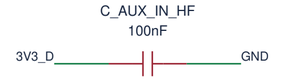

CORE / C02 / 3V3 buck and AUX limiter

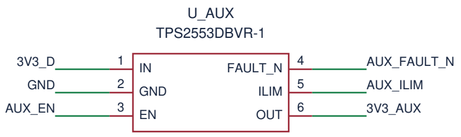

SCHEMATIC DRAFT | Footprints pending | NC pins intentionally unwired | Not for fabrication

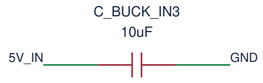

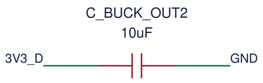

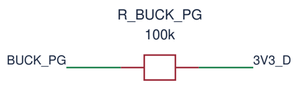

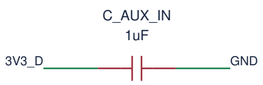

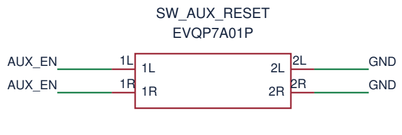

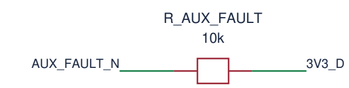

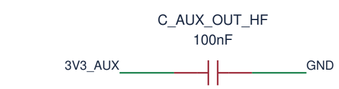

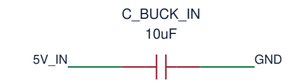

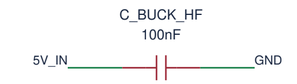

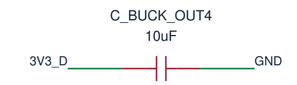

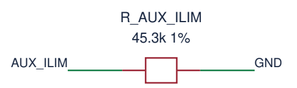

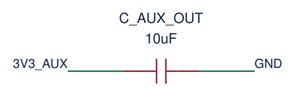

Local EDA-record preview. Not an editor-rendered PDF. Footprints / ERC / PCB not released.

CORE / C03 / Clock reset boot and SWD

SCHEMATIC DRAFT | Footprints pending | NC pins intentionally unwired | Not for fabrication

Local EDA-record preview. Not an editor-rendered PDF. Footprints / ERC / PCB not released.

CORE / C04 / IMU heater and analog sensing

SCHEMATIC DRAFT | Footprints pending | NC pins intentionally unwired | Not for fabrication

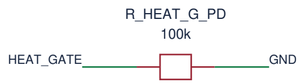

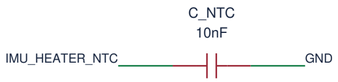

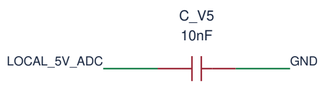

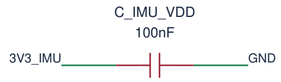

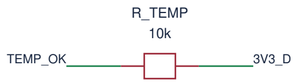

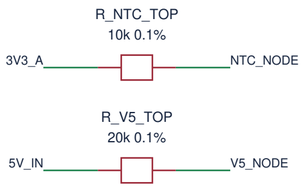

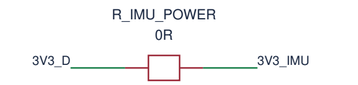

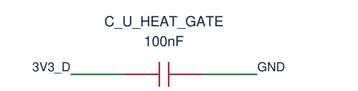

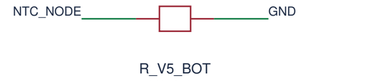

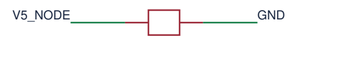

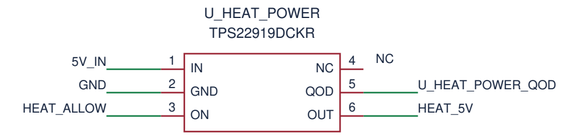

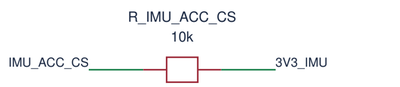

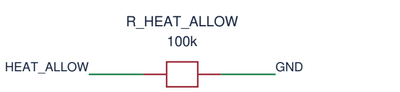

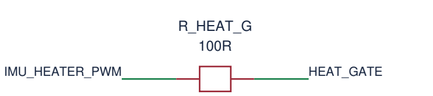

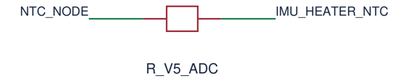

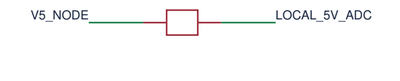

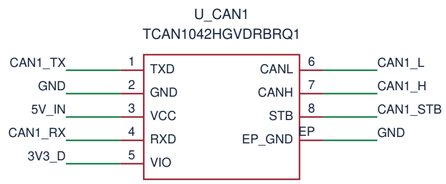

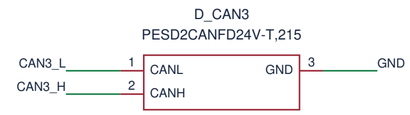

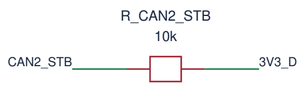

Local EDA-record preview. Not an editor-rendered PDF. Footprints / ERC / PCB not released.

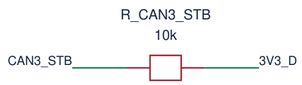

CORE / C05 / Three CAN physical interfaces

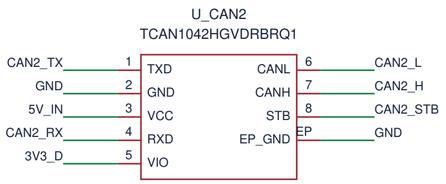

SCHEMATIC DRAFT | Footprints pending | NC pins intentionally unwired | Not for fabrication

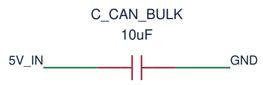

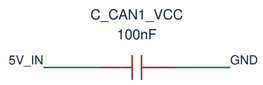

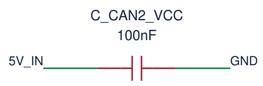

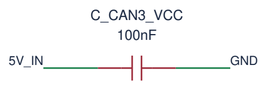

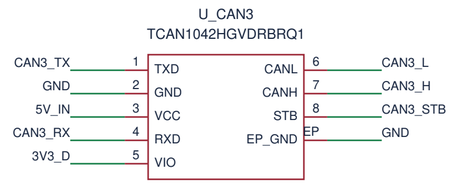

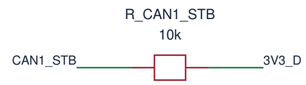

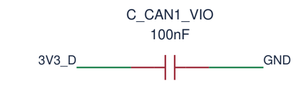

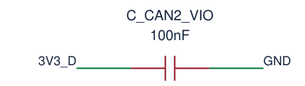

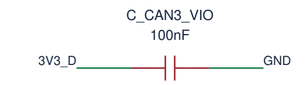

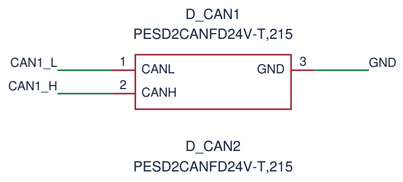

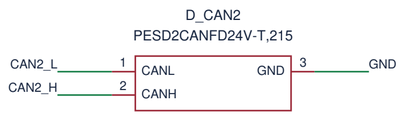

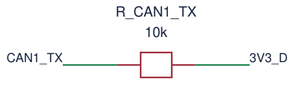

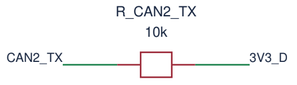

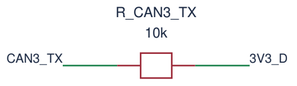

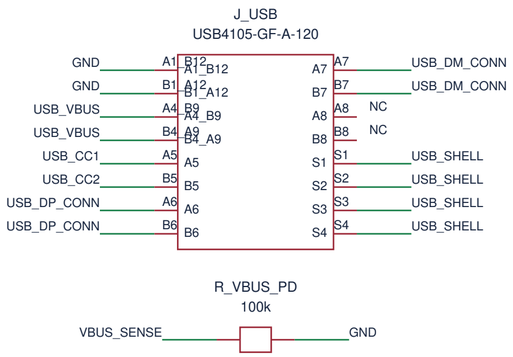

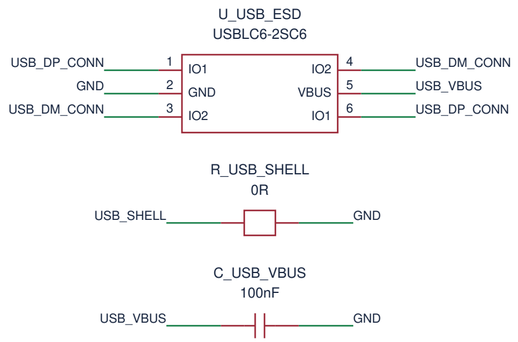

Local EDA-record preview. Not an editor-rendered PDF. Footprints / ERC / PCB not released.

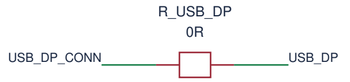

CORE / C06 / USB FS Device

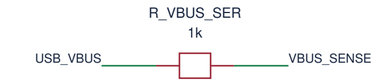

SCHEMATIC DRAFT | Footprints pending | NC pins intentionally unwired | Not for fabrication

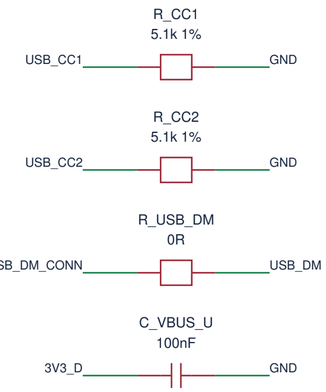

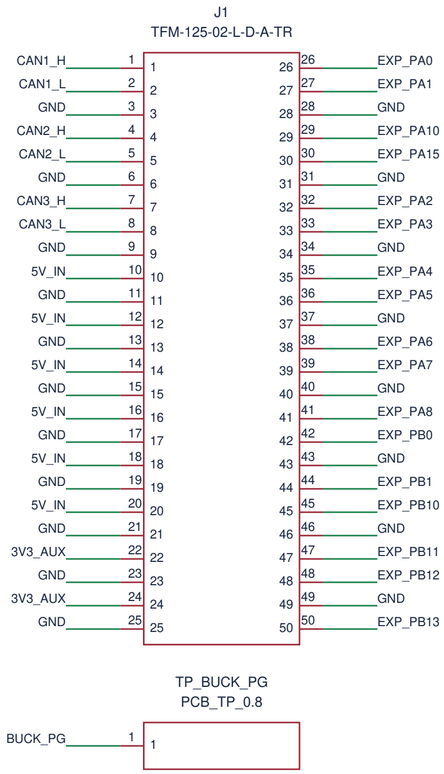

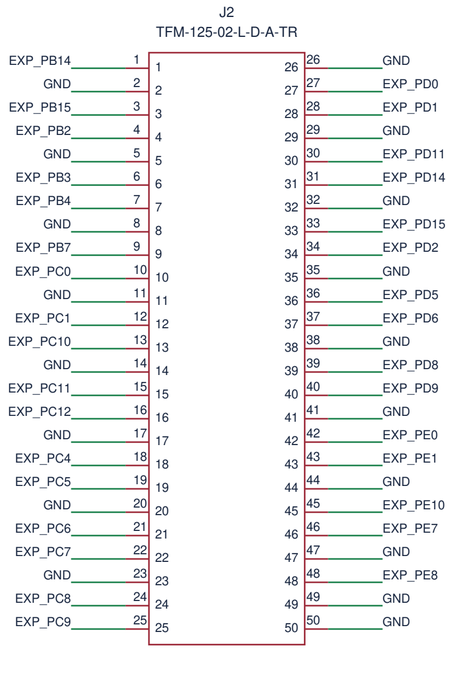

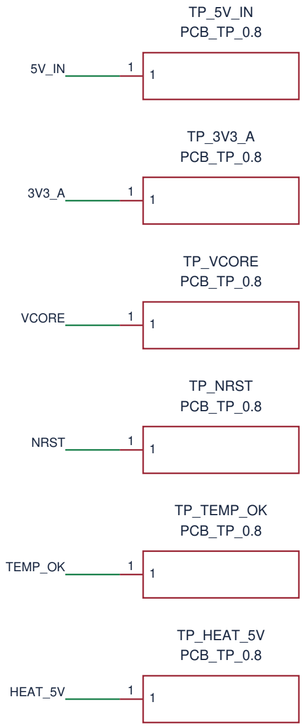

Local EDA-record preview. Not an editor-rendered PDF. Footprints / ERC / PCB not released.

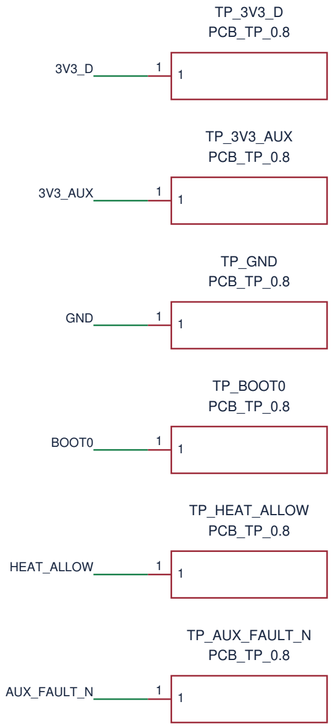

CORE / C07 / Core stack interface and test points

SCHEMATIC DRAFT | Footprints pending | NC pins intentionally unwired | Not for fabrication

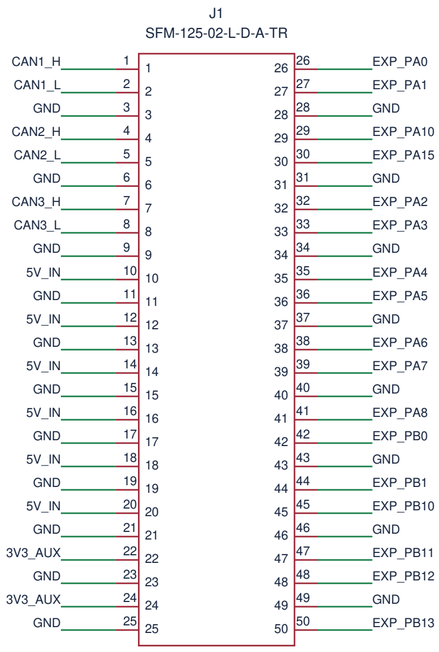

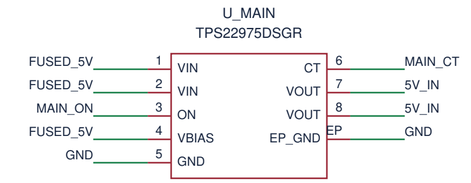

Local EDA-record preview. Not an editor-rendered PDF. Footprints / ERC / PCB not released.

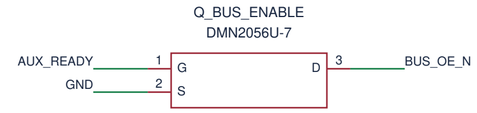

BASE_CAN / B01 / Power entry and stack interface

SCHEMATIC DRAFT | Footprints pending | NC pins intentionally unwired | Not for fabrication

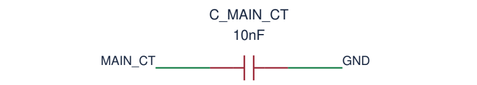

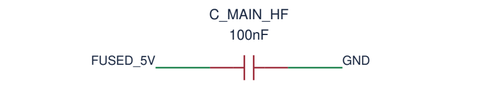

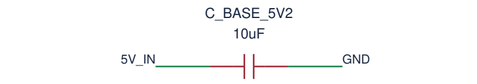

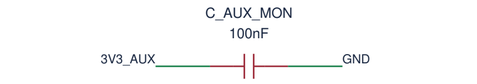

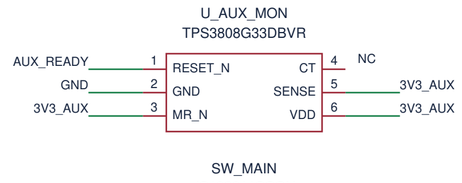

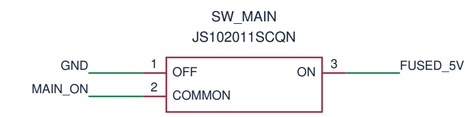

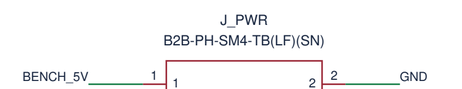

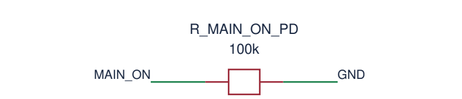

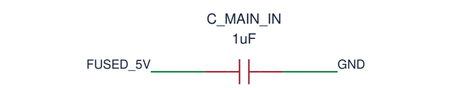

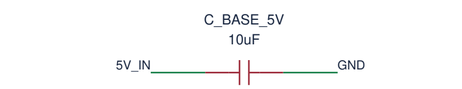

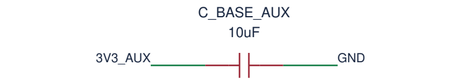

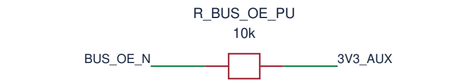

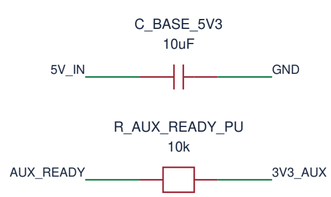

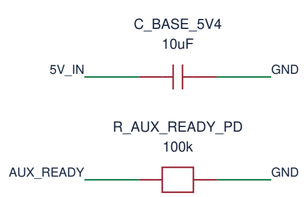

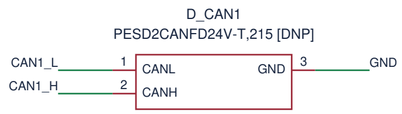

Local EDA-record preview. Not an editor-rendered PDF. Footprints / ERC / PCB not released.

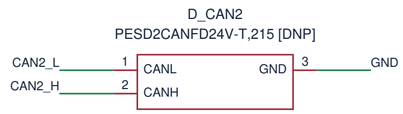

BASE_CAN / B02 / CAN connectors and termination

SCHEMATIC DRAFT | Footprints pending | NC pins intentionally unwired | Not for fabrication

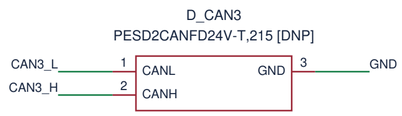

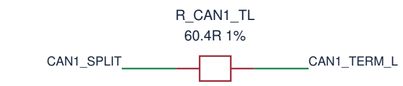

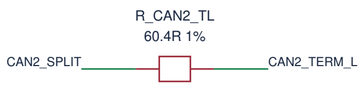

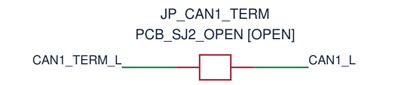

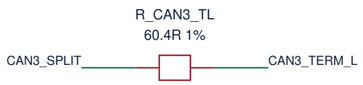

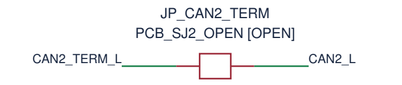

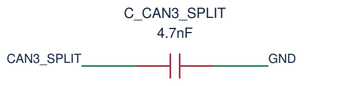

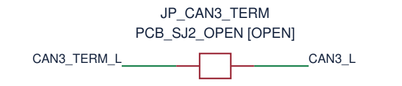

Local EDA-record preview. Not an editor-rendered PDF. Footprints / ERC / PCB not released.

BASE_CAN / B03 / DEV4 RS485

SCHEMATIC DRAFT | Footprints pending | NC pins intentionally unwired | Not for fabrication
